2016 SPONSORSHIP APPLICATION

Against The Grain productions

ONE VOICE . MANY STORIES .
Thanks to the support of our generous sponsors, donors and community supporters, 2015 was another year for the record books at ATG!

We cannot start the year without giving our sincerest thanks to all of you out there who have supported Against The Grain and our causes through your participation, attendance at our events, donations, sponsorship and volunteerism this past year. You have truly helped our organization grow and affect meaningful change in our community. Here are some highlights from 2015:

• Our #beCAUSE campaign continues to inspire others toward daily philanthropic thought, action and giving.
• In partnership with the National Association of Asian American Professionals, we brought our 4th Annual Groundbreakers Speak: A Conversation with Asian American Movers and Shakers to a national platform at the NAAAP National Convention, which included an amazing panel of award-winning, socially conscious and influential voices in the Asian American community to inspire, motivate and mentor our audience with their personal journeys of leadership and resilience.
• At our 7th Annual Fashion for a Passion, we showcased another talented group of Asian American designers, artists and performers to a full house of 450 guests and raised more than $43,000 net, the most from this event to date, for our supported orphanages and underprivileged children, scholarship fund and community outreach programs.
• Throughout the year, we partnered with restaurants and retailers to creatively raise money for our various causes.

As active stewards, we:

• Gave nearly $30,000 to our supported orphanages in Vietnam, Cambodia, The Philippines and Thailand, expanding our aid to include underprivileged children.
• Awarded $10,000 in Artistic Leadership Scholarships to ten talented high school seniors, undergraduate and graduate students as well as $1,000 in camp scholarships to ten young adoptees to attend culture/heritage camps across the country.
• Attended Vietnamese Heritage Camps as a team and participated in community festivals to increase unity and awareness of our causes and culture.
• Received an important $5,000 grant at the end of 2015 from the Orchid Giving Circle and Dallas Women’s Foundation to begin our next documentary that will uncover the sensitive subject of domestic violence against Asian women and children, bringing us back to our roots to produce compelling content that will share untold stories to educate and inspire.

The coming years will bring essential change to allow us to expand our reach nationally and globally while continuing our vision to do what ATG does best - to give and to inspire. On behalf of our wonderful board, I invite you to reflect on your own legacy of giving and send you thanks again for joining us on this journey to go Against The Grain.

With warmest regards,

ABOUT AGAINST THE GRAIN PRODUCTIONS

ATG Against The Grain Productions, Inc. functions as a traditional 501(c)(3) nonprofit…but with a twist. In the true spirit of its name, ATG finds unconventional, innovative and entertaining ways to promote leadership, positive identity, unity and artistry in the Asian American community; promote awareness of Asian American culture; give a platform to emerging Asian American artists; and provide inspiration to the community around us to think and act “outside the box”, while raising funds for our supported orphanages in Asia, scholarship fund and community outreach programs.

TIMELINE AND ACHIEVEMENTS

• In 2009, we released the award-winning feature documentary Operation Babylift: The Lost Children of Vietnam, screening at over a dozen festivals and winning two awards.
• In 2010, we created the Artistic Scholarship fund to support Asian American students pursuing a degree in the arts.
• In 2011, we distributed nearly $10,000 for orphanage aid and outreach programs, gave $2,000 Artistic Scholarships to two exemplary students and raised more than $20,000 at Fashion for a Passion, which over 300 guests attended.
• In 2012, we provided $13,500+ of aid to half a dozen orphanages in Vietnam and Thailand; awarded $2000 in Artistic Scholarships; gave $900 in scholarships for young adoptees to attend culture camps, selected our first recipient for the $5,000 Sunna Lee Leadership Scholarship; and raised nearly $30,000 net at Fashion for a Passion, which was attended by nearly 400 guests.
• In 2013, we hosted outreach events Groundbreakers Speak and Fashion for a Passion, provided $18,000 in aid to orphanages in Vietnam and Thailand, awarded $5,000 in Artistic Scholarships to five high school seniors and $1,000 in heritage/culture camp scholarships to ten young adoptees; gave almost $1,000 to disaster relief; and raised nearly $45,000.
• In 2014, we hosted our first-ever all-female panel at Groundbreakers Speak; raised more than $35,000 net and hosted a record 450 guests at Fashion for a Passion; raised more than $50,000 through our Dine for a Cause and shopping partners; gave nearly $20,000 to orphanages in Vietnam and Cambodia; awarded an unprecedented ten artistic scholarships to high school, undergraduate and graduate students; and provided $1,000 in Culture/Heritage Camp Scholarships to ten young adoptees across the country.
• In 2015, we had our best year to date in regards to fundraising, community outreach and aid to orphanages and underprivileged children, as described by our President on page 2.

LOOKING AHEAD TO 2016

Made up entirely of volunteers, ATG ensures that nearly 95% of funds raised through event seat sales, sponsorships, donations and our dine-for-a-cause and shopping partners go to our supported orphanages, scholarship fund and community outreach programs each year.

ATG is excited to host the 5th Annual Groundbreakers Speak: A Conversation with Asian American Movers and Shakers in partnership with the National Association of Asian American Professionals (NAAAP) at their National Convention in Las Vegas. A panel of dynamic and influential Asian American industry leaders will speak about their motivating paths to success during an engaging and educational panel discussion. The event's mission is to inspire leadership, provide mentorship and provoke thought on how we are all capable of becoming groundbreakers. You can find more information on our website at AgainstTheGrainProductions.com/Groundbreakers.

*VIP Silver and/or General Admission seats as available and dependent upon determined value of items.*
Against The Grain will go back to the very roots that began its journey to becoming a nonprofit with its second documentary feature film project *Light of Day*. The film will give voice to the untold stories of domestic violence against Asian women and children by exploring and exposing a complex and emotionally heavy topic that silently affects many in the Asian community. Through *Light of Day*, ATG hopes to bring awareness to the unique issues facing women of Asian origin and be a tool for outreach and awareness.

Against The Grain's latest film project comes exactly a decade after Tammy Nguyen Lee's internationally acclaimed and award-winning documentary, *Operation Babylift: The Lost Children of Vietnam*, a documentary film that followed the journey and compelling stories of orphans that were airlifted to the United States from post-war Vietnam 1975.

Production for *Light of Day* will begin in 2016 with research, development and filming in order to produce a preliminary trailer that will build publicity around the project and kick start additional fundraising. Stories will be collected first from the local Dallas community and additional funding from the film given to specific programs and organizations that actively impact Asian and Asian American domestic violence victims in the area. A hallmark of ATG's mission, several artistic collaborations with Asian American artists and musical performers are also planned for the project.

In December 2015, ATG earned a $5,000 grant from the Dallas Women’s Foundation’s Orchid Giving Circle to kick start the project. Additional funding will support production and development of the project.
